Please inform us one day in advance of any tours you would like to do, so that we have enough time to make necessary arrangements. For bird-watching guides and Blue Mountain trips 3 days advance notice is needed. Rates are for transportation only (unless specified otherwise). Entrance or guide fees at the attractions, cost of rafting etc. are additional. The tour duration is as long as you would like. Departure times for tours are not pre-determined, but at your discretion. We recommend an early departure for hiking or rafting to avoid the midday heat. For airport transfers, please let us have your departure time. Journey time is approximately 2½-3 hours depending on time of day. Check-in time is 2 hours prior to departure.
